### Full job description

About NCR Atleos

NCR Atleos, headquartered in Atlanta, is a leader in expanding financial access. Our dedicated 20,000 employees optimize the branch, improve operational efficiency and maximize self-service availability for financial institutions and retailers across the globe.

About NCR Atleos

NCR Atleos is a global leader in financial self-service solutions, with over 20,000 employees worldwide. Our Dundee office plays a key role in developing cutting-edge software and firmware for products like ATMs and other self-service banking technologies.

Your Role

As a Graduate Software Engineer, you'll join a highly motivated engineering team working on innovative solutions for embedded systems and real-time applications. You'll contribute to the design, development, and testing of software and firmware across a range of devices.

Key Responsibilities

- Design and develop software and firmware for embedded devices.
- Create and document test procedures to validate functionality.
- Support integration and systems testing.

- Collaborate across global teams and occasionally travel to customer sites.

### Who You Are

- A recent or upcoming graduate (2025/2026) with a degree in Computer Science, Electronics, Engineering, Physics, Mathematics, or a related field.
- Passionate about software development and embedded systems.
- Familiar with C/C++ and Windows programming environments.
- Interested in processor technologies and controlling electro-mechanical devices.
- Able to manage multiple projects and work independently or in teams.

### Preferred (but not essential) Skills

- Knowledge of electronics and real-time systems.
- Experience with embedded software development.
- Willingness to travel internationally.

### What We Offer

- Competitive salary and benefits
- Structured development and mentorship
- Inclusive and diverse work culture
- Opportunities for global collaboration and career progression

### How to Apply

Applications open in late 2025. Visit NCR Atleos Careers<<https://www.ncratleos.com/careers>>

Offers of employment are conditional upon passage of screening criteria applicable to the job.

### EEO Statement

NCR Atleos is an equal-opportunity employer. It is NCR Atleos policy to hire, train, promote, and pay associates based on their job-related qualifications, ability, and performance, without regard to race, color, creed, religion, national origin, citizenship status, sex, sexual orientation, gender identity/expression, pregnancy, marital status, age, mental or physical disability, genetic information, medical condition, military or veteran status, or any other factor protected by law.

### Statement to Third Party Agencies

To ALL recruitment agencies: NCR Atleos only accepts resumes from agencies on the NCR Atleos preferred supplier list. Please do not forward resumes to our applicant tracking system, NCR Atleos employees, or any NCR Atleos facility. NCR Atleos is not responsible for any fees or charges associated with unsolicited resumes.
